

Newsletter - April 2020

All activities that were scheduled for the month of April, at Perth Elks Lodge, have been either postponed or canceled. This includes:

1. Monthly 1st Friday Potluck
2. Thursday Washer toss
3. Friday evening Darts
4. Monthly Lodge Meeting
5. All Committee meetings including executive.
6. The Perth Elks/Legion Weekly Lotto is being postponed until further notice.

Those who are paid in advance will just have their expiry date moved ahead the number of weeks that the Lotto is not held. For example, if you were previously paid up to and including March 27 and our lotto is shut down for 4 weeks, then you would then be paid up to April 24.

7. All Rotary meetings and lunches.

8. The New Brunswick Elks Association Annual Meeting that was scheduled for Friday and Saturday, April 17 and 18 has been postponed until a date to be decided. And it is quite likely that any NBEA AGM held this fall will not be held at Perth Elks.

It seems that there is a strong likelihood that all events scheduled for the month of May will also be postponed or canceled as this is already happening in other businesses and organizations.

As we make our way through April and May, we will get a clearer picture of what may be taking place in June and July.

Please take care of yourself and those who are in your immediate family or social unit. Make sure that each member of your personal unit has no outside contact. Remember that 2 meters is the physical distance that should exist between outsiders.

Keep in contact with your favorite outsiders by social media or the telephone.

I have discovered a good TV series on Netflix called "Line of Duty". There are at least 17 episodes on Netflix and we have found them to be so intense that we can watch no more than one episode a day. If you have found any other exciting shows or movies spread the word.

By the way, at our St. Patrick's Day Dinner and Silent Auction we netted just under \$4,300.00 and just a little over \$700.00 on the dinner. Thank you to everyone who contributed in any way to the event. It was a smashing success.
