## Tickets on Super Bowl TV Still available

Our goal was to sell 250 Tickets at \$10.00 each and clear \$2,000.00

We now have 200 Tickets out with a 100% chance that they will be sold.

If you could sell some to your family and friends, it would be a big help

This is our only Fundraiser for January and February

The Draw for the TV will be just before the game kick off on Sunday, the 13th at 7 PM. If some of you would like to help with the draw it would be appreciated. We need to verify that all the tickets are there, they need to be folded and we need to have the Draw videoed.

## February 10th the Lodge Meeting is on Zoom

Lodge Meeting on Thursday, February 10 at 6 PM. We really hope that you can join us.

14 members joined us last time. Let's double that this time.

In January we had 14 members in attendance. Chris Dunlap will invite you. If you need help getting on, call him at (403) 615-1228

## Perth Elks to Hold a St. Patrick's Dinner on March 19 at 6 PM

Hopefully this can be a sit-down dinner. Neither the menu nor the cost per plate has been decided. We will keep you posted. There will not be a Silent Auction so we might do a 50/50 or something.

## July 9 is the date of the Perth Elks 70th Anniversary Celebration

Circle July 9 on your calendar and make plans to join us on that day as we celebrate 70 years of Perth Elks being an integral part of our community. WE will be making an official announcement within the next few days.
