Proposed time change for Lodge Meetings

Presently, our Lodge meeting is scheduled for 6 PM. A proposal has been made that we consider changing that time to 6:30 PM. The rationale for the change is, first, that it would give members more time to have their evening meal before they come to the Lodge, and secondly, it would give members who work late more time to make the meeting.

This is going to be discussed at the February meeting. If you would like to have input into this decision, you should make every effort to attend the meeting. Or, you could express your opinion by email.

BBQ Chicken Dinner Planned for March 23

On March 23 at 6 PM there will be a dinner. The menu is Rotisserie Cooked Chicken, Mashed Potatoes, Carrots, a green vegetable, Gravy, Rolls and Dessert.
