We are looking for ideas on how to grow our Lodge. We need to ensure that we have some young members who can take leadership roles and who can make sure that our Lodge is able to continue the good work that we have been doing for years to come. **Our mission statement is:**

**"A Canadian volunteer organization of men and women serving Communities"**

Please come to the meeting on Thursday with ideas that will give us direction on what steps we as a Lodge could take to bring in new, motivated and dynamic members. We'll do some brainstorming at the meeting. **Be Ready!**

We also need members to act on our Membership Committee. There will be a meeting in Fredericton on Sunday, October 19, 2015 at noon to discuss membership growth. All Lodges will be represented.

Fraternally,  
Ron Gaunce, Secretary
