### Selling Take-out Roast Beef Dinners on December 12

We have decided to try to sell Roast Beef Dinners on Saturday, December 12. This would be a take-out Dinner so customers could come and pick them up and we also could deliver to those who cannot get out. The dinners would be sold, in advance, at \$16.00 per plate. We would only do it if we could sell a minimum of 60 meals. We would like you to think about it and if we get some positive feed-back we will give you more details in our next Newsletter.

Fraternally yours,
