Summer Squares Fund Raiser a Success

We sold 125 squares in our Summer Fundraiser.

Diane Hatheway won the \$1,500.00

The Elks made \$1,000.00 less the \$25.00 that the license cost.

Summer Washer Toss Events a Big Success

This summer we had two washer toss events. Both events were a huge success. The story coming from these events was that EVERYONE HAD FUN.

And that's what it's all about

A special big thank you to individuals and companies who made donations. That was awesome. In particular special thank you must go out to all of the members whose hard work made these events such an overwhelming success. I don't think that I would be stepping on any toes if we gave a special thank you to Vicki Broad. Without her extremely hard work, dedication and significant contacts, these events simply would not have happened.

Fall Membership on again for this fall

The Elks of Canada are promoting an Elktober repeat for 2021.

A suggestion has been made that this could be tied into an Oktoberfest which would give us a different slant from what we have ever done before.

Any ideas as to what shape an Oktoberfest would take?

Any other ideas.

Committee Volunteers Needed

We need volunteers to act on the following Committees:

Perth Elks 70th Birthday Plans - May 28, 2022

NBEA AGM - April 23, 2022

Health and Wellness

Any ideas about where we might find a Marketing Director. If you know of a member or even if you know someone in the area that we could recruit let us know.

Fraternally yours,
